COVID-19 Precautionary Measures

Wash Hands Often

*Use soap & water.
Wash for at least 20
seconds.*

Wear Face Mask

*Wear face mask
for protection.*

Sanitize Always

*Use an alcohol-
based hand
sanitizer when
washing is not an
option.*

Avoid Touching the Nose, Mouth & Eyes

*Do not touch your
nose, mouth &
eyes especially
with unwashed
hands.*

Observe Social Distancing

*Maintain 1 meter
distance from
others. Safe
greetings include a
wave, a nod, or a
bow.*

Follow Cough Etiquette

*Cover your
mouth & nose
with a tissue or
sleeve when
coughing &
sneezing.*

Together, let us fight COVID-19!!!

DISINFECT FOOTWEAR

EVERYONE ENTERING THE
BUILDING IS REQUIRED TO
DIP THEIR FOOTWEAR IN THE
DISINFECTING FOOTBATH
TO STOP THE SPREAD
OF COVID-19.

THANK YOU!

SLSU Administration

SOCIAL DISTANCING

PREVENT COVID19

Social distancing means keeping space between yourself and other people outside of your home.

Cover your mouth and nose with a cloth face cover when around others

Stay out of crowded places
Do not gather in groups
Avoid mass gatherings

Anyone can get and spread COVID-19.
Your best bet to protect yourself and others is to wear a mask and stay 6 feet apart.
COVID-19 spreads mainly among people who are in close contact (within about 6 feet) for a prolonged period especially indoors.
Everyone has a role to play in slowing the spread.
and protecting themselves, their family, and their community.
