## Publication of Instructor I Positions

as of May 12, 2018

Monthly Salary :        **P 22,149.00**  
 Salary Grade :            **12**

Number of Items Needed	ITEM Number	Field of Specialization	Eligibility	Competencies Required
1	SLSUB-INST1-39-2016	Master in Technology Education, Food Preparation and Service	None Required	<ol style="list-style-type: none"> <li>1. Knowledge and application in occupational health and safety, and effective customer service;</li> <li>2. Preparing stocks, sauces and soup, appetizers, salads and dressings, sandwiches, meat dishes, vegetable dishes, egg dishes, starch products, poultry and game dishes, seafood dishes, and desserts;</li> <li>3. Packaging of prepared foods;</li> <li>4. Conducting research and development projects;</li> <li>5. Excellent interpersonal and communication skills.</li> </ol>
3	SLSUB-INST1-30-2016 SLSUB-INST1-31-2016 SLSUB-INST1-12-2016	Master of Engineering in Electrical Engineering	RA1080 (Electrical Engineering)	<ol style="list-style-type: none"> <li>1. Designing electrical system component or process;</li> <li>2. Managing, repairing and maintaining electrical equipment and system</li> <li>3. Upgrading and modifying electrical equipment;</li> <li>4. Estimating project engineering, safety engineering and project management;</li> <li>5. Conducting research and development projects.</li> <li>6. Excellent interpersonal and communication skills</li> </ol>
4	SLSUB-INST1-15-2016 SLSUB-INST1-26-2016 SLSUB-INST1-27-2016 SLSUB-INST1-11-2016	Master of Engineering in Civil Engineering	RA 1080 (Civil Engineering)	<ol style="list-style-type: none"> <li>1. Preparing and implementing contract and specification documents;</li> <li>2. Selecting and evaluating of materials for civil engineering projects;</li> <li>3. Conducting technical, economic &amp; financial feasibility studies;</li> <li>4. Undertaking surveys, investigation and environmental studies;</li> <li>5. Undertaking supervising structural, hydraulic, geotechnical engineering and transportation related infrastructures</li> <li>6. Undertaking supervising project management, construction projects and implements manpower plans, safety standards and practices;</li> <li>7. Conducting research and development projects.</li> </ol>

				8. Excellent interpersonal and communication skills
1	SLSUB-INST1-18-2016	Master in Psychology	None Required	<ol style="list-style-type: none"> <li>1. Excellent interpersonal, collaborative, ethical and communication skills;</li> <li>2. Excellent Analytical and critical thinking skills</li> <li>3. Background in conducting research and development projects;</li> <li>4. Experience in planning for test administration</li> <li>5. Knowledge in test design, analysis &amp; interpretation</li> </ol>
3	SLSUB-INST1-32-2016 SLSUB-INST1-33-2016 SLSUB-INST1-34-2016	Master of Engineering in Computer Engineering	None Required	<ol style="list-style-type: none"> <li>1. Knowledge in equipment, electrical and electronic measurements safety;</li> <li>2. Logging , processing, analysing properties using appropriate software, and presenting data;</li> <li>3. Production of sketches to communicate ideas and concepts; preparation of technical drawing by hand</li> <li>4. Utilization of engineering software packages as aid to research, analysis, problem solving and presentation;</li> <li>5. Writing codes to produce computer programs in solving engineering problem;</li> <li>6. Conducting research and development projects.</li> <li>7. Excellent interpersonal and communication skills</li> </ol>
3	SLSUB-INST1-28-2016 SLSUB-INST1-29-2016 SLSUB-INST1-13-2016	Master of Engineering in Mechanical Engineering	RA1080 (Mechanical Engineering)	<ol style="list-style-type: none"> <li>1. Conceptualizing, designing and implementing machine product and processes that conform with technical specification and standards</li> <li>2. Creating prototypes &amp; applying technology transfer and facilitating innovations</li> <li>3. Identifying and implementing best ME practices;</li> <li>4. Designing mechanical systems and 2nalysing technical problems through mechanical systems integrations;</li> <li>5. Supervising and monitoring the performance of project milestone and operational targets</li> <li>6. Conducting research and development projects</li> <li>7. Excellent interpersonal and communication skills</li> </ol>
3	SLSUB-INST1-40-2016 SLSUB-INST1-41-2016 SLSUB-INST1-42-2016	Master of Science in Criminology/ Forensic Science	RA 1080 (Criminologist)	<ol style="list-style-type: none"> <li>1. Knowledge and skills in Crime prevention and Control, Law Enforcement, Penal Administration and security management</li> <li>2. Application of innovative techniques in criminal investigation;</li> <li>3. Experience in crime analysis;</li> <li>4. Application of criminalistics and other Forensic Sciences.</li> <li>5. Conducting research and development projects</li> <li>6. Excellent interpersonal and communication skills</li> </ol>
2	SLSUB-INST1-23-2016 SLSUB-INST1-24-2016	Master of Science in Development/	None Required	<ol style="list-style-type: none"> <li>1. Popularizing scientific information;</li> <li>2. Conducting research and development projects;</li> </ol>

		Science Communication		<ol style="list-style-type: none"> <li>3. Conducting communication campaigns and programs</li> <li>4. Management of scientific and popular publications.</li> <li>5. Packaging of educational/promotional communication materials.</li> <li>6. Excellent interpersonal and communication skills</li> </ol>
2	SLSUB-INST1-37-2016 SLSUB-INST1-38-2016	Master in Technology Education Technology & Livelihood Education	RA 1080 (LET)	<ol style="list-style-type: none"> <li>1. Knowledge in the application of electrical and woodworking tools</li> <li>2. Knowledge in interpretation of technical drawing and plans following the quality standards;</li> <li>3. Drafting structural electrical and electronic, sanitary and plumbing and mechanical lay-out and details;</li> <li>4. Conducting research and development projects;</li> <li>5. Excellent interpersonal and communication skills.</li> </ol>
2	SLSUB-INST1-16-2016 SLSUB-INST1-17-2016	Master of Science in Chemistry/ Natural Sciences	RA 1080 (Chemists)	<ol style="list-style-type: none"> <li>1. Excellent interpersonal and communication skills;</li> <li>2. Excellent background in qualitative, quantitative, physical chemistry and biochemistry;</li> <li>3. Conducting research and development;</li> <li>4. Preferably with experience in industry practice.</li> </ol>
2	SLSUB-INST1-19-2016 SLSUB-INST1-20-2016	Master of Science in Information Technology	None Required	<ol style="list-style-type: none"> <li>1. Applying knowledge of computing science &amp; mathematics appropriate to discipline;</li> <li>2. Analyzing complex problem &amp; defining computing requirements appropriate to the solution;</li> <li>3. Designing, implementation &amp; evaluation of computer based systems, processes, and component to meet desired need;</li> <li>4. Integrating IT-based solution into the user environment effectively;</li> <li>5. Analyzing the local &amp; global impact of computing information technology on individuals, organization &amp; society.</li> <li>6. Excellent communication skills</li> </ol>
1	SLSUB-INST1-36-2016	Master in Tech. Education, Drafting Technology	RA 1080 (LET)	<ol style="list-style-type: none"> <li>1. Knowledge in mensuration and calculation;</li> <li>2. Knowledge in interpretation of technical drawing and plans following the quality standards;</li> <li>3. Drafting architectural lay-outs and details and preparing computer-aided drawings;</li> <li>4. Drafting structural, electrical, electronic, sanitary, plumbing and mechanical lay-out and details;</li> <li>5. Conducting research and development projects;</li> <li>6. Making plans using ACAD;</li> <li>7. Excellent interpersonal and communication skills.</li> </ol>
1	SLSUB-INST1-14-2016	Master of Science in Food Science & Technology	None Required	<ol style="list-style-type: none"> <li>1. Knowledge and experience in Food Engineering, Food Chemistry, and Food Processing</li> <li>2. Work experience in the food industry or research and development</li> <li>3. Background in statistical designs and analyses for food-related research</li> </ol>

				<ol style="list-style-type: none"> <li>4. Excellent interpersonal skills and work ethics.</li> <li>5. Excellent communication skills</li> </ol>
1	SLSUB-INST1-21-2016	Master of Science in Computer Science	None Required	<ol style="list-style-type: none"> <li>1. Proficiency in at least one high level programming language</li> <li>2. General knowledge in CS equivalent to the following: Discrete mathematics, Algorithm design &amp; analysis, Operating systems, Programming languages</li> <li>3. Knowledge in principles and concepts in designing and formulating new tools for application development</li> <li>4. Ability to generate new knowledge in the field of computing</li> <li>5. Excellent interpersonal and communication skills</li> </ol>
2	SLSUB-INST1-22-2016 SLSUB-INST1-33-2016	Master in Industrial Technology	None Required	<ol style="list-style-type: none"> <li>1. Mastery in current technologies and modern management approaches used in world-class industrial companies</li> <li>2. Knowledge in handling various issues in industrial environments</li> <li>3. Proficiency in: heating, ventilation, air-conditioning &amp; refrigeration technology; electrical technology; automotive technology; electronics technology</li> <li>4. Excellent interpersonal and communication skills</li> </ol>
1	SLSUB-INST1-35-2016	MA Language Teaching	RA 1080 (LET)	<ol style="list-style-type: none"> <li>1. Knowledge on critical theories, methodologies and practices in language teaching</li> <li>2. Mastery of the discipline by detailing the development and current practices of literary studies, rhetoric or film</li> <li>3. Background and experience in language research</li> <li>4. Experience in conducting training for second language speakers</li> <li>5. Excellent interpersonal and communication skills</li> </ol>

Send application to: **DR. PROSE IVY G. YEPES**  
University President, SLSU, Sogod, Southern Leyte

**You can also send application documents through email to:**

slsumaincampus@gmail.com; vlreoma@gmail.com; vlreoma@yahoo.com; or  
luditoramirez@slsuonline.edu.ph

**Apply not later than May 28, 2018.**
